Every time we come to one of your concerts, we wonder whether you'll be able to maintain the high standard – and every time you do!

Band rehearsal and camping

We had a lovely week writing and rehearsing at Manor Farm. The hosts John and Frances were incredibly warm, welcoming and hospitable and also cooked us up some delicious meals!

The sound of the room was superb and suited our needs perfectly. It was lovely to camp under the stars and take the friendly dogs for a walk. We'll certainly be returning again to rehearse and possibly to do some recording as well.

Highly recommended for bands looking to get out of the city for a few days!

Brooks Williams concert

Lovely concert last night with Brooks Williams. What a great idea these parlour concerts are...thanks for staging the show.

Davey

Brooks was amazing wasn't he? What a talented man who played and sang with such emotion and conviction of his roots. We thoroughly enjoyed it - and your parlour is exquisite!

"Joni & Me" concert by Joanna Eden

Well what a fabulous evening! The venue, the bar, the notorious sausages, the company, the tables layout and to say nothing of the most fantastic 'Joni Mitchell' song evening. What a lovely person Joanna Eden is, with a wealth of talent. Her stage presence and audience participation is superb and the uncanny likeness to Joni's voice was eye opening. Lewis Andrews on guitar and piano made it complete, and Joanna's keyboard skills have to be praised.

I am now a true fan so please invite them back again and I know I can entice at least 10 friends along. Long live Joni, Joanna and Manor Farm! :)

From the performer's view

Thank you very much for being such wonderful hosts and creating the perfect atmosphere for the gig. We all enjoyed it immensely, and I'm glad it worked for you and your guests too. ... The concert certainly helped to put us in the right mood [*for our recording*] and I hope we brought a bit of the atmosphere of the concert into the recordings.

We very much enjoyed the room and the atmosphere so we would like to come again as much for our own enjoyment as anything!

Organ Recital

Just wanted to thank you for giving us such a lovely evening last Saturday. Lovely music in such beautiful surroundings. We are also full of admiration for the enormous task you must have taken on, but the result is very exciting.

We loved the organ program, it was so well planned with something for everyone. It is so nice to be able to have live music on the doorstep, and not to have to drive miles. We so much look forward to coming again soon.
